

The Board of Directors of **Harris County UD #15** has worked diligently to reduce the property tax rate within the district. As shown below, the tax rate has declined significantly since 1989. The Board has achieved a **56% decline** from the highest tax rate of \$1.74!

This means that a house valued at \$200,000 dollars has a realized **savings in tax expense of \$1960** (\$3480 - \$1520).
